Financial Policy

Full payment for all services is expected at the time of service unless you have health insurance. We accept VISA, MasterCard, Discover, personal checks, money orders, and cash. Returned checks are charged \$25. We offer a 30% discount to those patients who have no insurance and pay in full at the time of service.

As a courtesy to you, our office will file your claim with most insurance companies. Parents must present a valid insurance card upon arrival for the date of service. Per our legal contracts with the insurance companies, we collect co-payments and/or co-insurance amounts at the time of service. Parents are responsible for ensuring that the insurance policy that they have purchased pays according to their plan benefits. Our office bills according to the "Explanations of Benefits" (EOB) we receive from the insurance company. If your insurance has previously denied a particular service or procedure, payment is expected at the time of service should that procedure be performed again.

Our office files Medicaid and SoonerCare claims. Parents must present their child's Medicaid card upon arrival for the date of service. We will check the Oklahoma Healthcare Authority Website for current eligibility status. Our office charges according to the website information on your child's eligibility.
